

About Dr. Jeff Holness

Candidate for School Board of Broward County, Countywide,
At-Large, Seat 9

**Father, Educator,
Community Leader,
Business Owner**

Still undecided about the school board race?

What makes Dr. Jeff Holness different than other candidates? In uncertain times experience will matter. It is imperative to elect someone who will be able to hit the ground running on day one for the future of your children.

Jeff is the only candidate:

- Who has taught Pre-K through 12th grade, adult community school and has been a University Professor - **Strong Educator**
- Who owns and operates a successful business within the first 5 years – **Proven Business Owner**
- Who designed and built a successful Kumon online teaching platform in response to Covid 19 – **Demonstrated Adaptability**
- Who has shown proven leadership from his first-year teaching and throughout his career – **Leadership-oriented**
- Who has studied at the graduate level in Education with a masters and Doctor of Education in organizational leadership – **Sets Example**
- Who was selected as department “Teacher of the Year” for two schools in Broward County – **Recognized Leader**
- Who has extensive community involvement for over two decades - **Partners with Community Leaders**
- Who has completed the Broward County Assistant Principal training program – **Goals Driven**
- Who is certified by the state of Florida in Educational Leadership – **Knowledgeable**

Dr. Jeff Holness has been an educator for over 20 years in the Broward County School District and has held numerous leadership positions. Should you elect Jeff he will be the only father serving on the board bringing a unique and diverse perspective that will enable an inclusive input when representing your children. Please visit his website for more information on the issues he stands for at www.jeffholness.com.

Priorities

Candidate for School Board of Broward County,
Countywide, At-Large, Seat 9

Improving School Safety and Security

Help our children through a very difficult period in our County and our nation's history of needing to feel safe in our schools.

Addressing Students' Mental Health

Identify and work on mental health issues affecting our children today.

Meeting ESE Students' Needs

Better address the needs of our children with learning disabilities.

Valuing and Respecting, Teachers, School Staff, Students and Parents

Take better care of our teachers through emphasis on value, respect and actions so they can be in a better position to take care of our children and

Building Community Relationships

Work with everyone including municipalities to achieve the best results in helping our children collectively heal and succeed in Broward County Schools.
